July 23, 2025

Dear Bodhi Meditation Silicon Valley Community,

It is a true pleasure to extend my warmest congratulations to your community as you celebrate Bodhi Meditation Day on August 3, 2025.

This meaningful occasion marks the 12th Anniversary of Bodhi Meditation Day, recognized by the City of Milpitas, and celebrates the 34th year since the founding of Bodhi Meditation. These milestones reflect your lasting presence and positive impact in our region.

Over the years, Bodhi Meditation has cultivated a welcoming and peaceful space where individuals from all backgrounds come together to promote health, joy, and unity. This year's Cultural Unity in Wellness celebration highlights the diversity and compassion that define both Milpitas and the greater Silicon Valley. The Bodhi Meditation community has contributed to the well-being of Milpitas by fostering a spirit of inclusion, mindfulness, and mutual respect that continues to strengthen the fabric of our city.

I offer my sincere appreciation to the founders, instructors, and volunteers whose dedication continues to bring healing, hope, and inspiration to so many. Your efforts have truly enriched the lives of those in our community.

As you commemorate this 34-year journey, I wish you continued peace, wellness, and happiness. Congratulations, and thank you for your service and devotion to the well-being of others.

Sincerely,

Carmen Montano
Mayor, City of Milpitas
